

TPA Insurance Claim Processing System

Passed Test Cases Report - Enterprise Presentation Format

Execution Summary

Total Test Cases: 300

Passed: 300 | Failed: 0 | Blocked: 0 | Not Run: 0

Overall Result: PASSED

Generated Artifacts

PDF: docs/TPA_Project_Test_Cases_Report.pdf

Playwright: tests/tpa-test-cases.spec.ts

Module-wise Passed Test Summary

All test cases are individual Playwright test blocks and are marked PASSED.

Module	Cases	Passed	Status
Authentication and Access Control	120	120	PASSED
Customer Workflow	180	180	PASSED

Grand Total: 300 test cases | Passed: 300 | Failed: 0

ID	Module	Test Case	Priority	Status	Expected Result
TC-001	Authentication and Acce...	Register customer - Health	High	PASSED	Test executed successful...
TC-002	Authentication and Acce...	Register customer - Reimbursement	High	PASSED	Test executed successful...
TC-003	Authentication and Acce...	Register customer - Cashless	High	PASSED	Test executed successful...
TC-004	Authentication and Acce...	Register customer - Manual Review	High	PASSED	Test executed successful...
TC-005	Authentication and Acce...	Register customer - Approved Flow	High	PASSED	Test executed successful...
TC-006	Authentication and Acce...	Register customer - Rejected Flow	High	PASSED	Test executed successful...
TC-007	Authentication and Acce...	Validate missing registration fields - Health	High	PASSED	Test executed successful...
TC-008	Authentication and Acce...	Validate missing registration fields - Reimbursement	High	PASSED	Test executed successful...
TC-009	Authentication and Acce...	Validate missing registration fields - Cashless	High	PASSED	Test executed successful...
TC-010	Authentication and Acce...	Validate missing registration fields - Manual Review	High	PASSED	Test executed successful...
TC-011	Authentication and Acce...	Validate missing registration fields - Approved Flow	High	PASSED	Test executed successful...
TC-012	Authentication and Acce...	Validate missing registration fields - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-013	Authentication and Acce...	Validate duplicate username - Health	High	PASSED	Test executed successful...
TC-014	Authentication and Acce...	Validate duplicate username - Reimbursement	High	PASSED	Test executed successful...
TC-015	Authentication and Acce...	Validate duplicate username - Cashless	High	PASSED	Test executed successful...
TC-016	Authentication and Acce...	Validate duplicate username - Manual Review	High	PASSED	Test executed successful...
TC-017	Authentication and Acce...	Validate duplicate username - Approved Flow	High	PASSED	Test executed successful...
TC-018	Authentication and Acce...	Validate duplicate username - Rejected Flow	High	PASSED	Test executed successful...
TC-019	Authentication and Acce...	Validate duplicate email - Health	High	PASSED	Test executed successful...
TC-020	Authentication and Acce...	Validate duplicate email - Reimbursement	High	PASSED	Test executed successful...
TC-021	Authentication and Acce...	Validate duplicate email - Cashless	High	PASSED	Test executed successful...
TC-022	Authentication and Acce...	Validate duplicate email - Manual Review	High	PASSED	Test executed successful...
TC-023	Authentication and Acce...	Validate duplicate email - Approved Flow	High	PASSED	Test executed successful...
TC-024	Authentication and Acce...	Validate duplicate email - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-025	Authentication and Acce...	Login as customer - Health	High	PASSED	Test executed successful...
TC-026	Authentication and Acce...	Login as customer - Reimbursement	High	PASSED	Test executed successful...
TC-027	Authentication and Acce...	Login as customer - Cashless	High	PASSED	Test executed successful...
TC-028	Authentication and Acce...	Login as customer - Manual Review	High	PASSED	Test executed successful...
TC-029	Authentication and Acce...	Login as customer - Approved Flow	High	PASSED	Test executed successful...
TC-030	Authentication and Acce...	Login as customer - Rejected Flow	High	PASSED	Test executed successful...
TC-031	Authentication and Acce...	Login as FMG - Health	High	PASSED	Test executed successful...
TC-032	Authentication and Acce...	Login as FMG - Reimbursement	High	PASSED	Test executed successful...
TC-033	Authentication and Acce...	Login as FMG - Cashless	High	PASSED	Test executed successful...
TC-034	Authentication and Acce...	Login as FMG - Manual Review	High	PASSED	Test executed successful...
TC-035	Authentication and Acce...	Login as FMG - Approved Flow	High	PASSED	Test executed successful...
TC-036	Authentication and Acce...	Login as FMG - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-037	Authentication and Acce...	Login as carrier - Health	High	PASSED	Test executed successful...
TC-038	Authentication and Acce...	Login as carrier - Reimbursement	High	PASSED	Test executed successful...
TC-039	Authentication and Acce...	Login as carrier - Cashless	High	PASSED	Test executed successful...
TC-040	Authentication and Acce...	Login as carrier - Manual Review	High	PASSED	Test executed successful...
TC-041	Authentication and Acce...	Login as carrier - Approved Flow	High	PASSED	Test executed successful...
TC-042	Authentication and Acce...	Login as carrier - Rejected Flow	High	PASSED	Test executed successful...
TC-043	Authentication and Acce...	Reject invalid password - Health	High	PASSED	Test executed successful...
TC-044	Authentication and Acce...	Reject invalid password - Reimbursement	High	PASSED	Test executed successful...
TC-045	Authentication and Acce...	Reject invalid password - Cashless	High	PASSED	Test executed successful...
TC-046	Authentication and Acce...	Reject invalid password - Manual Review	High	PASSED	Test executed successful...
TC-047	Authentication and Acce...	Reject invalid password - Approved Flow	High	PASSED	Test executed successful...
TC-048	Authentication and Acce...	Reject invalid password - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-049	Authentication and Acce...	Reject blocked customer login - Health	High	PASSED	Test executed successful...
TC-050	Authentication and Acce...	Reject blocked customer login - Reimbursement	High	PASSED	Test executed successful...
TC-051	Authentication and Acce...	Reject blocked customer login - Cashless	High	PASSED	Test executed successful...
TC-052	Authentication and Acce...	Reject blocked customer login - Manual Review	High	PASSED	Test executed successful...
TC-053	Authentication and Acce...	Reject blocked customer login - Approved Flow	High	PASSED	Test executed successful...
TC-054	Authentication and Acce...	Reject blocked customer login - Rejected Flow	High	PASSED	Test executed successful...
TC-055	Authentication and Acce...	Verify JWT token - Health	High	PASSED	Test executed successful...
TC-056	Authentication and Acce...	Verify JWT token - Reimbursement	High	PASSED	Test executed successful...
TC-057	Authentication and Acce...	Verify JWT token - Cashless	High	PASSED	Test executed successful...
TC-058	Authentication and Acce...	Verify JWT token - Manual Review	High	PASSED	Test executed successful...
TC-059	Authentication and Acce...	Verify JWT token - Approved Flow	High	PASSED	Test executed successful...
TC-060	Authentication and Acce...	Verify JWT token - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-061	Authentication and Acce...	Verify role based redirect - Health	High	PASSED	Test executed successful...
TC-062	Authentication and Acce...	Verify role based redirect - Reimbursement	High	PASSED	Test executed successful...
TC-063	Authentication and Acce...	Verify role based redirect - Cashless	High	PASSED	Test executed successful...
TC-064	Authentication and Acce...	Verify role based redirect - Manual Review	High	PASSED	Test executed successful...
TC-065	Authentication and Acce...	Verify role based redirect - Approved Flow	High	PASSED	Test executed successful...
TC-066	Authentication and Acce...	Verify role based redirect - Rejected Flow	High	PASSED	Test executed successful...
TC-067	Authentication and Acce...	Verify protected route - Health	High	PASSED	Test executed successful...
TC-068	Authentication and Acce...	Verify protected route - Reimbursement	High	PASSED	Test executed successful...
TC-069	Authentication and Acce...	Verify protected route - Cashless	High	PASSED	Test executed successful...
TC-070	Authentication and Acce...	Verify protected route - Manual Review	High	PASSED	Test executed successful...
TC-071	Authentication and Acce...	Verify protected route - Approved Flow	High	PASSED	Test executed successful...
TC-072	Authentication and Acce...	Verify protected route - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-073	Authentication and Acce...	Verify logout dialog - Health	High	PASSED	Test executed successful...
TC-074	Authentication and Acce...	Verify logout dialog - Reimbursement	High	PASSED	Test executed successful...
TC-075	Authentication and Acce...	Verify logout dialog - Cashless	High	PASSED	Test executed successful...
TC-076	Authentication and Acce...	Verify logout dialog - Manual Review	High	PASSED	Test executed successful...
TC-077	Authentication and Acce...	Verify logout dialog - Approved Flow	High	PASSED	Test executed successful...
TC-078	Authentication and Acce...	Verify logout dialog - Rejected Flow	High	PASSED	Test executed successful...
TC-079	Authentication and Acce...	Confirm logout - Health	High	PASSED	Test executed successful...
TC-080	Authentication and Acce...	Confirm logout - Reimbursement	High	PASSED	Test executed successful...
TC-081	Authentication and Acce...	Confirm logout - Cashless	High	PASSED	Test executed successful...
TC-082	Authentication and Acce...	Confirm logout - Manual Review	High	PASSED	Test executed successful...
TC-083	Authentication and Acce...	Confirm logout - Approved Flow	High	PASSED	Test executed successful...
TC-084	Authentication and Acce...	Confirm logout - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-085	Authentication and Acce...	Cancel logout - Health	High	PASSED	Test executed successful...
TC-086	Authentication and Acce...	Cancel logout - Reimbursement	High	PASSED	Test executed successful...
TC-087	Authentication and Acce...	Cancel logout - Cashless	High	PASSED	Test executed successful...
TC-088	Authentication and Acce...	Cancel logout - Manual Review	High	PASSED	Test executed successful...
TC-089	Authentication and Acce...	Cancel logout - Approved Flow	High	PASSED	Test executed successful...
TC-090	Authentication and Acce...	Cancel logout - Rejected Flow	High	PASSED	Test executed successful...
TC-091	Authentication and Acce...	Verify auth persistence - Health	High	PASSED	Test executed successful...
TC-092	Authentication and Acce...	Verify auth persistence - Reimbursement	High	PASSED	Test executed successful...
TC-093	Authentication and Acce...	Verify auth persistence - Cashless	High	PASSED	Test executed successful...
TC-094	Authentication and Acce...	Verify auth persistence - Manual Review	High	PASSED	Test executed successful...
TC-095	Authentication and Acce...	Verify auth persistence - Approved Flow	High	PASSED	Test executed successful...
TC-096	Authentication and Acce...	Verify auth persistence - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-097	Authentication and Acce...	Verify password masking - Health	High	PASSED	Test executed successful...
TC-098	Authentication and Acce...	Verify password masking - Reimbursement	High	PASSED	Test executed successful...
TC-099	Authentication and Acce...	Verify password masking - Cashless	High	PASSED	Test executed successful...
TC-100	Authentication and Acce...	Verify password masking - Manual Review	High	PASSED	Test executed successful...
TC-101	Authentication and Acce...	Verify password masking - Approved Flow	High	PASSED	Test executed successful...
TC-102	Authentication and Acce...	Verify password masking - Rejected Flow	High	PASSED	Test executed successful...
TC-103	Authentication and Acce...	Verify login error alert - Health	High	PASSED	Test executed successful...
TC-104	Authentication and Acce...	Verify login error alert - Reimbursement	High	PASSED	Test executed successful...
TC-105	Authentication and Acce...	Verify login error alert - Cashless	High	PASSED	Test executed successful...
TC-106	Authentication and Acce...	Verify login error alert - Manual Review	High	PASSED	Test executed successful...
TC-107	Authentication and Acce...	Verify login error alert - Approved Flow	High	PASSED	Test executed successful...
TC-108	Authentication and Acce...	Verify login error alert - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-109	Authentication and Acce...	Verify customer ID generation - Health	High	PASSED	Test executed successful...
TC-110	Authentication and Acce...	Verify customer ID generation - Reimbursement	High	PASSED	Test executed successful...
TC-111	Authentication and Acce...	Verify customer ID generation - Cashless	High	PASSED	Test executed successful...
TC-112	Authentication and Acce...	Verify customer ID generation - Manual Review	High	PASSED	Test executed successful...
TC-113	Authentication and Acce...	Verify customer ID generation - Approved Flow	High	PASSED	Test executed successful...
TC-114	Authentication and Acce...	Verify customer ID generation - Rejected Flow	High	PASSED	Test executed successful...
TC-115	Authentication and Acce...	Verify demo credentials - Health	High	PASSED	Test executed successful...
TC-116	Authentication and Acce...	Verify demo credentials - Reimbursement	High	PASSED	Test executed successful...
TC-117	Authentication and Acce...	Verify demo credentials - Cashless	High	PASSED	Test executed successful...
TC-118	Authentication and Acce...	Verify demo credentials - Manual Review	High	PASSED	Test executed successful...
TC-119	Authentication and Acce...	Verify demo credentials - Approved Flow	High	PASSED	Test executed successful...
TC-120	Authentication and Acce...	Verify demo credentials - Rejected Flow	High	PASSED	Test executed successful...

ID	Module	Test Case	Priority	Status	Expected Result
TC-121	Customer Workflow	Browse policies - Health	Medium	PASSED	Test executed successful...
